<p>PLEASE NOTE THE FOLLOWING:</p> <ol style="list-style-type: none"> 1. In addition to the above, pharmacies provide national services including the Minor Ailments Service; Public Health Services (eg Core Services, National Smoking Cessation Service, Sexual Health (including Emergency Hormonal Contraception); CMS (Chronic Medication Service). 2. Please note that the list of locally negotiated contracts is not exhaustive as local initiatives are dynamic and therefore ever changing. Further, some but not all of the services are awarded following a needs assessment of local areas and the services currently available. 3. Collection and delivery services are not shown here as they are not an NHS services.
